

**Australian Government**  
**Biosecurity Australia**

**Supplementary submission from the Philippine Bureau of Plant Industry**

Biosecurity Australia undertook, on behalf of the specialist import risk analysis team, to seek clarification of some information provided in the stakeholder submission provided by the Philippine Bureau of Plant Industry in response to the *Revised Draft Import Risk Analysis Report for the Importation of Cavendish Bananas from the Philippines*

The stakeholder consultation period for the revised draft import risk analysis report closed on 29 June 2007.

In the interests of transparency this information has been provided to all stakeholders.
