## **Exporting of Greyhounds**

Under Greyhounds Australasia (GA) rules any person exporting a greyhound(s) to another country must prior to meeting the requirements of the Australian Quarantine and Inspection Service (AQIS) obtain a Greyhound Passport.

Specifically Rule 141 (1) states that,

“Any person intending to export a greyhound, being a greyhound the subject of these Rules or to those of a relevant Registration Board/Commission, from Australia or New Zealand to any other country (including Australia or New Zealand) must, prior to meeting the quarantine and inspection service requirements of the relevant country, obtain a greyhound passport and certified pedigree issued by Greyhounds Australasia for each greyhound to be exported.”

A Greyhound Passport will only be issued upon receipt of a completed application form and payment of the relevant fee. All exporters must apply for the Greyhound Passport directly with GA. The said application form will also contain a mandatory compliance clause specifying the purpose for export which is for racing, breeding or as a pet. Application forms are available online at [www.galtd.org.au](http://www.galtd.org.au).
