

RAW PRAWN SAMPLING DECLARATION

IMPORTER: _____

QUARANTINE ENTRY #: _____

BATCH NUMBERS: _____

TOTAL NUMBER OF BATCHES FOR TESTING: _____

NOMINATED TESTING LABORATORY: _____

I, _____, who is acting on behalf of the above importer, agree to the above number of batches determined by the sampling DAFF Biosecurity Officer, to be sent to the nominated testing laboratory for White Spot Syndrome Virus (WSSV) and Yellow Head Virus (YHV) detection.

I understand that should one sample from a batch test positive for WSSV or YHV, that batch will be declared positive and directed to be re-exported, destroyed, or processed under the control of DAFF Biosecurity, without re-testing.

I understand that I must inform DAFF Biosecurity of the WSSV and YHV test results by producing a copy of the laboratory results report BEFORE the release from quarantine of the consignment can be considered.

I agree to allow the nominated testing laboratory to disclose details of the test results, country of origin and consignment details to the Australian Department of Agriculture, Fisheries and Forestry on request.
