ANIMAL QUARANTINE POLICY MEMORANDUM 2000/12

IMPORT RISK ANALYSIS: BOVINE SEMEN AND EMBRYOS FROM ARGENTINA AND BRAZIL

ADOPTION OF QUARANTINE POLICY

This Animal Quarantine Policy Memorandum (AQPM) advises adoption of new conditions for the importation of Bovine Semen and Embryos from Argentina and Brazil.

AQPM 2000/03 of 12 January 2000 provided finalised quarantine requirements for the importation of Bovine Semen and Embryos from Argentina and Brazil. Following announcement of the final conditions, there was a 30 day period during which stakeholders had the opportunity to appeal against the process under which the import risk analysis was conducted.

No appeals were received from stakeholders and as a result the conditions attached to AQPM 2000/03 will be adopted today, 21 February 2000.

Thank you for your assistance with the development of this import policy. Please do not hesitate to contact this office should you require any further information on this matter.
