<b>Date of issue</b>	16/9/02
<b>EXDOC country code</b>	GT
<b>Additional Requirements and Information</b>	
<b>Establishment listing requirements</b>	Not applicable
<b>Exporter Declaration requirements</b> <ul style="list-style-type: none"> <li>• <b>For exports of all prescribed edible product</b></li> </ul> <ul style="list-style-type: none"> <li>• <b>Specific country requirements</b></li> </ul>	<p>Exporters must provide a declaration that all information in the permit is true and complete and that they are in possession of a declaration of compliance that:</p> <ul style="list-style-type: none"> <li>(i) applies to the milk and milk products; and</li> <li>(ii) complies with the requirements of clause 6 of Schedule 9 of the Export Control (Milk and Milk Products) Orders 2005.</li> </ul> <p>Nil</p>
<b>Substantiation requirements</b>	Declaration of Compliance Transfer documentation
<b>Transit Certification Requirements</b>	Milk and milk products transiting the European Union or the United States may require transit documentation. For product transiting the European Union via seafreight a DS054 certificate is provided and for product transiting the European Union via airfreight a DA054 certificate is provided. These certificates are available as additional certificates through the EXDOC system and are required to be signed by AQIS officers in a different colour ink to that of the printing of the certificate. If the product is transiting the United States standard certification is required and the exporter should contact the DRU for advice on how this certification may be issued.
