Substantiation requirements	Declaration of Compliance Transfer documentation
Transit Certification Requirements	Milk and milk products transiting the European Union or the United States may require transit documentation. For product transiting the European Union via seafreight a DS054 certificate is provided and for product transiting the European Union via airfreight a DA054 certificate is provided. These certificates are available as additional certificates through the EXDOC system and are required to be signed by AQIS officers in a different colour ink to that of the printing of the certificate. If the product is transiting the United States standard certification is required and the exporter should contact the DRU for advice on how this certification may be issued.
